

MARE MATCHING PEDIGREE WORKSHOP

Melbourne Sessions 21st & 22nd May
Gold Coast Sessions 26th & 27th May

About Us

G1 Goldmine is an advanced pedigree research tool that places the power back in the hands of the user. Our customers include over 3000 breeders, buyers and enthusiasts from over 26 countries. We perform on average over 4000 Stallion Match's as well as over 1200 Pedigree Search's each week.

Workshops

G1 Goldmine will present 2 Pedigree workshops with a primary focus on mares: how to analyse their pedigree and find the perfect stallion. The sessions are hands-on training so you will need your laptop/tablet. Each session will be limited to 12 participants.

- Melbourne: Tuesday 21 May 1PM - 4:30PM
- Melbourne: Wednesday 22 May 6PM - 9:30PM
- Gold Coast: Sunday 26 May 1PM - 4:30PM
- Gold Coast: Monday 27 May 5PM - 8:30PM

Inclusions

The registration fee for the workshop is only \$220, and includes a Pro subscription as follows:

- Goldmine Pro Users - 3 months additional added to your account
- Goldmine Users - account upgraded to Pro for 3 months
- Goldmine Trial Users - trial will be upgraded to Pro for 3 months
(This includes one complimentary Broodmare Analysis Report)

Keystones

- Stallion Selection Funnel : The Stallion Selection Funnel is a mating process that guides breeders through a set of filters to identify the top 5 most compatible stallions for their mare.
- Research Paper : DANEHILL Inbreeding. Which pattern is a terrible and which pattern is producing 12% SW/Runners?
- Research Paper : Does age of stallion affect SWs production?
- What about age of mares? What about the stallion/mare age difference?
- Are 4 strains of NORTHERN DANCER too much? What about 4 strains of MR PROSPECTOR ?
- SNITZEL over which major sireline is producing 2.5% Gr1W/Rnrs and 14% SW/Rnrs? (and most of his sons at stud don't have this sireline!)
- Which young son of Danehill is showing exceptional success as a broodmare sire with 6 Gr1s already!
- Which Broodmare sireline is more potent - KINGMAMBO or NUREYEV?
- Super Crosses emerging in 2019
